

Career & Technical Education Career Clusters and Course Offerings at Enloe

To earn a concentration for graduation, students must take at least (4) technical credits in a Career Cluster; one earned **must** be a completer course identified by a asterisk (*). The student may earn all four credits from foundation courses **or** three from foundation and one from enhancement courses for the Career Cluster.

Students who complete a CTE Concentration will be eligible to take the ACT WorkKeys Assessment to earn national certification in Career Readiness.

Effective for students entering the 9th grade in the 2012-2013 school year and beyond
