

# How do you learn best?

You can find out how you learn best by taking a learning styles inventory. Try the one at CFNC.org, which gives you results you can print out or download if you want. Here's how to do it.

- 1) Go to CFNC.org and log in (or create an account if you don't have one).
- 2) Click at the top on "Plan" and "For a Career."
- 3) Click on the link to "Learn About Yourself."

- 4) Go to the "Learning Styles Inventory" in the lower-left hand corner and open it.

- 5) You'll have about 70 quick questions to respond to. Be honest in your answers to make sure your results are accurate.
